D17 Describe other transfer credit policies: In considering credit by transfer from other institutions, HBU places a premium on credits from regionally accredited institutions. However, HBU will also consider a request for transfer credit from institutions that are not regionally accredited. Applicants must submit transcripts from all institutions and indicate courses for which they wish to receive transfer credit—whether from accredited or non-accredited institutions. After an initial review upon admission to the university, the Office of Admissions will, in some cases, indicate to the student which courses he or she may request consideration for transfer credit; this is handled by the colleges and schools of HBU. For transfer credits from a non-accredited institution, a maximum of 12 credits may be awarded; credit received will only be accepted in HBU's core curriculum, and only for courses in which the student earned a grade of "B" or higher.
